- Free, convenient parking
- Free annual flu shot
- The satisfaction of doing something for others
- The opportunity to share your skills
- Making a difference by serving our community
- The enjoyment of making new friends and having fun

How Do I Become a Volunteer?

- Fill out the volunteer services application at BSWHealth.com/CarrolltonVolunteer or complete attached form.
- Mail it to the address provided or hand deliver it to the main information desk.
- Meet with the volunteer services staff to discuss your interests and availability. A twelve month commitment is usually requested.

If a placement is found for you, volunteers:

- Schedule a meeting with the employee health nurse and complete a TB screening
- Submit to a background screening
- Submit to a drug screening (including nicotine)
- Attend a general orientation session
- Receive training

What are the Opportunities for Student Volunteers?

College Students:

Applications are accepted year round for college volunteer positions. College students are asked to commit to 12 months of service, volunteering at least one 4-hour shift per week.

High School Students:

Applications for high school students are accepted December 1–April 1. Eligible students must be at least 15-years-old by January 1 and are considered in this category through the summer after high school graduation. Students must be able to work one full summer session. (Four consecutive weeks in June or July.)
