What Are the Opportunities for Student Volunteers?

Applications are accepted year around for all volunteer positions. Opportunities for college students are available on a semester basis.

Opportunities for high school and junior high school students are available during the summer. Eligible students must be at least 14-years-old by January 1 and are considered in this category through the summer after high school graduation. Students must also be available for a minimum of 8 weeks during the summer. The deadline to apply is March 15. (If the application is received after the deadline, it will be held on the waiting list for the following summer.) Students MUST have volunteered during the summer program to be eligible for a school year placement.

We invite you to apply for a volunteer position at Baylor Plano. For more information, call the Volunteer Services Department at (469) 814-2027 or visit our Web site at BaylorHealth.com.
