VIII. Report of Community Benefits Provided During Fiscal Year 2011
June 30, 2011

Dear Fellow Texan,

Baylor Medical Center at Waxahachie (“Baylor Waxahachie”) is committed to fulfilling its mission to operate within an integrated health care system which exists to serve people as an extension of its Christian ministry of healing by offering a continuum of quality services with a commitment to patient care and community service.

As this report demonstrates, Baylor Waxahachie’s benefit to the community is approximately $19,028,043 for Fiscal Year 2011. Baylor Waxahachie provides quality patient care including subsidized services that would otherwise not be available to the community.

Baylor Waxahachie is committed to promoting an environment of wellness in our community and coach residents to intentionally adopt healthier lifestyles to reduce the number of deaths associated with chronic disease. In addition, the hospital has committed significant funding to operate a community health clinic for the medically underserved population.

Our hospital vision states: “As a partner with the community, Baylor Waxahachie provides responsible leadership to improve the health status and quality of life for all citizens.” We have committed our resources, including personnel and money to accomplish this.

I encourage you to give me feedback for this report. Please address comments to me, in care of Jennifer Coleman, Senior Vice President, Public Affairs, Baylor Health Care System, and 3500 Gaston Avenue, Dallas, Texas 75246.

Sincerely,

VIII. Report of Community Benefit Provided During Fiscal Year 2011

In a commitment to fulfill its mission, Baylor Medical Center at Waxahachie’s benefit to the community, conservatively estimated, was $19,028,043 for Fiscal Year 2011. Baylor Medical Center at Waxahachie is filing its Annual Statement of Community Benefits Standard (“Statement”) as a consolidated system with the other affiliated hospitals of BHCS (excluding those that qualify as Medicaid disproportionate share hospitals).

Through community benefit activities, BHCS-affiliated hospitals provided: quality patient care and subsidized services otherwise not available in the community; medical education, training for medical technicians, hospital chaplains, nurses, and future physicians; and medical research that will speed the time between scientific finding and its application to improving medical care.

Any comments or suggestions in regard to the community benefit activities are greatly welcomed and may be addressed to Jennifer Coleman, Senior Vice President, Consumer Affairs, Baylor Health Care System, 3500 Gaston Avenue, Dallas, Texas 75246.
